Minutes 4 May 1967

Present:

STAT

A. Approval of Minutes:

The members and observers listed above assembled at 1500. The minutes of 27 April were approved with the notation that Paragraph B, under "Film Processing," Option 2, should read "Title at processing site."

B. Old Business:

briefed on the preparations underway to develop a program for PI Keys production to meet NPIC responsibilities under the JIIRG Study. The draft plan previously distributed to each member was discussed.  questioned the potential use of standard keys and cautioned that the design and content of the keys would influence their value. The need for and potential use of comprehensive "System" Keys were discussed by the PAG attendees. Potential problems of workload and classification involving publication of such keys were discussed and it was agreed that such problems could be solved.

C. New Business:

A memorandum prepared by the Terminology Sub-Committee pertaining to "Titles and Definitions" of NPIC reports was discussed. It was pointed out that the paper was exploratory in nature and designed to stimulate thinking and generate a response from NPIC components. It was noted that as such the paper would be submitted to the Director for his review and comments.  suggested that the term "Basic Report" be included in the paper and the Terminology Sub-Committee was assigned the task.
